

PROPOSAL

NAME OF PROJECT : ARAW NG BARANGAY "AWARDING OF BARANGAY BIDA"
DATE : May 25, 2018 (Friday), 1:00pm-5:00pm
VENUE : Baliwag Star Arena
TOTAL COST : P. 871, 250.00

DESCRIPTION

Araw ng Barangay, which will coincide with the monthlong festivities of the 2018 Buntal Festival, is the day dedicated to all the officials and volunteer workers of the barangay. Consistent with the theme "Nagniningning ang mga Baliwagenyo", this activity will serve as the venue to confer the pilot winners for Baliwag Barangay BIDA (Best Innovations/Innovators for Development Awards)

The said award is the integrated awards and incentive program to recognize outstanding contributions of barangays, its officials and volunteer workers in order to compile a portfolio of noteworthy and successful implementation of barangay programs/projects anchored on the criteria espoused by the Department of Interior and Local Government in its program for the seal of good local governance.

Inspired by the different award giving bodies namely Galing Pook, Seal of Good Local Governance, and Gawad Galing Barangay, this is the Municipal Government's way of empowering the barangays to innovate, initiate and implement tailor-fit programs/projects that will address the gaps in their respective community, with the hope that it will provide positive impact, and promote the greater welfare of their constituents.

OBJECTIVES

1. To honor and recognize the best practices in the barangays, and the individuals who stepped up to exemplify the best qualities and outstanding performance of being a barangay official or volunteer.
2. To inspire and encourage Baliwagenyos to excel in their craft and contribute significantly, thus making a difference in the lives of the many.
3. To compile a story of achievers who will automatically represent Baliwag in other award giving bodies with the same set of qualifications.
4. To propagate the best practices and replicate it in many barangays in Baliwag.
5. To promote a culture of excellence in local governance.
