INTRODUCTION

Last year, under the auspices of Mayor Ferdie Estrella, marked the revival of Dangal ng Baliwag, the highest honor conferred to fellow Dugong Baliwag, PusongBaliwag.

Inspired by the province’s Dangal ng Bulacan, the local version will serve as the primary awards program of the Municipal Government to recognize outstanding contributions of Baliwagenyos who excelled in various pre-identified fields. The Dangal ng Baliwag is expected to showcase the excellent qualities of a Baliwagenyo, whether they are in Baliwag or in another place, within or outside the Philippines.

The present administration believes that revitalizing the said awards program will communicate how a hometown, through the local government unit, values and appreciates its residents whose excel or exemplify exceptional accomplishments and extraordinary contributions to his/her organization, the community, or the country.

This program is the Municipal Government’s way of reciprocating the efforts of individuals and groups who are working independently towards building a better community. It is the hope of this administration that the awardees will develop greater engagement with the local government as reliable partners in achieving its goals.

By recognizing Baliwagenyo achievers, fellow locals will be able to develop deeper sense of pride with the affiliation and positive reputation that it yields being a Baliwagenyo. Further to this, the LGU hopes to compile a portfolio of inspiring stories, and provide a venue for these achievers to give back to the community.
